2. Support measures reducing emissions from ships	✓ CompMon	EnviSuM SHEBA
3. Develop shore-side facilities to foster clean shipping measures		

Challenges

- What actions are we to focus on in the future?
  - More focused actions vs. more general actions
  - For today: Action 3 in PA Safe and Action 2 in PA Ship

- How to measure success of the implementation of the actions?
  - Targets and indicators

- How to make influence at the international level?
  - Particularly in the IMO
