Anders Berg
Swedish Maritime Administration
LISA Presentation at PA Ship 2020-06-15

Speaker introduction

SWEDISH MARITIME ADMINISTRATION

AGENDA

- LISA: quick general overview
  - Duration time
  - Budget
  - Partners
- Workplan
- Ambitions
- How to connect to other PA (Ship, Safe?)

Quick overview

- LISA – Linking Sea and Land – Flagship Process
- Start August 2020 End June 2021
- Budget total 50 000Euro
  - Travel, Accommodation and Workshop set-up coverage for partners, lead partner get funding for time put in as well (to a certain degree)
- Partners:
  Lead Partner: Swedish Maritime Administration
  Port of Gdynia
  Port of Hamburg
  Vilnius Gediminas Technical University
  Estonian Maritime Administration

- Contributes to PA Transport
  → Action plan under revision. However project would contribute to Action 3:
  "Facilitate innovative technologies and solutions in the BSR"
- Establish a Flagship process
  - Formation of a partnership
  - Defining concrete objectives
  - Defining a road map
  - Establish a flagship organization + work plan
- Aim to establish a long-term process…..
  To support relevant stakeholders+initiatives:
- STM, eMSW, eFTI etc.

- Workshops

Time Frame	Place/Country	Short description of main events and day-to-day activities	Participating partners and stakeholders	Responsible partner
August	Stockholm, Sweden	Kick-off – Collect opinions and perspectives	All	SMA
September	Hamburg, Germany	Purpose – Input to insights @Maritime Future Summit?	All	Port of Hamburg
September – November	BSR	Individual discussions with potential stakeholders and partners, expand partnership	All	SMA/Port of Hamburg
January	Gdynia, Poland	Goals and Roadmap Workshop	All	Port of Gdynia
April	Vilnius, Lithuania	Scenarios and Test Cases	All	VGTU
