# Activities by the Policy Area Coordinator on behalf of PA Ship

**Meeting of the international Steering Committee for PA Ship, 7 November 2017, agenda item 3**

## Activities of the Policy Area Coordinator since the last meeting

Since the most recent meeting of the international Steering Committee **30 May 2017** in **Brussels**, Belgium, the Policy Area Coordinator has been engaged in several activities.

### Most important activities include

- Preparation of the business seminar "Maritime sector businesses meet EUSBSR" in Gdansk, Poland on 8 November 2017 together with PA Safe and partners from Let's Communicate Project – especially Pomorskie Region and Baltic Development Forum.
- Preparation of the 9th meeting of the international Steering Committee of PA Ship on 7 November 2017 including guided tour of Gdansk Shipyard.
- Working on a clearer internal strategy of PA Ship based on the outcomes of the seminar "The future of Maritime Safety and Security and Clean Shipping in the Baltic Sea Region" held in Brussels 30 May 2017.
- Ongoing coordination and correspondence with relevant authorities and organisations, including current and new potential Flagship Projects and Seed-Money Projects.
- Participation and dialogue with regional forums and organisations engaged in similar activities, e.g. HELCOM and CBSS in order to increase synergies and avoid duplication of efforts.

### Overview of selected activities
