Activities of the PACs since the previous meeting (may/june 2021)

Since the last ordinary meeting in the Policy Area, the PACs have completed the following activities:

- Co-organisation PA Safe related event at EUSBSR Annual Forum
- Co-organisation of PA Ship related event at EUSBSR Annual Forum
- Issuance of quarterly newsletters.
- Bilateral dialogue with EUSAIR stakeholders
- Updating Terms of Reference for both policy areas
- Participating in relevant information events about upcoming Interreg BSR funding programs.
- Participation and presentation at Norwegian stakeholder event for macro regional cooperation
- Participation and presentation at Polish stakeholder event for macro-regional cooperation
- Production of "strategy paper" for future EUSBSR maritime cooperation related to PA Safe and PA Ship.
- Identification and endorsement of new PACs for PA Safe & PA Ship respectively.
- Planning and organising webinar on December 9th focused on the future maritime work.
