

Deletion of digital power of attorney

Digital Ship Register (DSRG) self-service portal can be accessed using the following link: <https://shipregistration.dma.dk>

It is possible to create digital power of attorneys in the Digital Ship Register. By creating a digital power of attorney for a specific type of right, it becomes possible for both the appointed attorney and the principal to access a digital signing of the assignment and complete it.

The Danish Maritime Authority's website describes power of attorney in more details here: [Power of attorney](#).

This guide explains how you can delete a digital power of attorney that you have previously created in the Digital Ship Register in the Digital Ship Register. Only the principal can delete/withdraw a power of attorney.
